Yahoo Answers How To - Most tires are considered to have a life of between 25,000 and 50,000 miles before they need to be replaced. Should you wait until your tires become unsafe or replace ...If he really follows through with this plan, then I am all for it! I'd rather live next door to immigrants than a confederate flag-waving, gun-toting Trump supporter ...Best answer: Generalize much? I happen to be conservative. I like seeing athletes performing at the highest level, and what I saw this weekend was one of the greatest ...If he really follows through with this plan, then I am all for it!
